## Assignments

Class members will complete a “Sermon Preparation Worksheet” (SPW) for each of the six passages listed in the above schedule. Each class session, some will present their work to the class while others will provide encouragement and pose questions. Please bring enough copies of your worksheet to share with those in the class.

Each student will choose one of the assigned texts and, using their SPW as the foundation, write a sermon manuscript and deliver it to the class.

## Commitment

Your joy to meet with others to dig into God’s Word will reflect itself in punctuality and faithfulness (no more than 1 absence). If you’re traveling, you may Skype or Zoom in. There’s also a \$19 cost to obtain access to the video teachings.
