Assignments

Class members will complete a “Sermon Preparation Worksheet” (SPW) for each of the passages listed in the above schedule (The assignment for 3/26 is an exception). Each class session, some will present their work to the class while others will provide encouragement and pose questions for the purpose of sharpening our handling of the Word. Please bring enough copies of your worksheet to share with those in the class.

Each student will choose one of the assigned texts and, using their SPW as the foundation, write a sermon manuscript and preach it to the class on one of the final two Wednesdays.

Commitment

Your joy to meet with others to dig into God’s Word will reflect itself in punctuality and faithfulness (no more than 1 absence). If you’re traveling, you may Skype or Zoom in. Each student will need to purchase the online course “[First Principles](#)” at a cost of \$24. We’ll use these video teachings in our group sessions, but you’ll own them for a year so you can review as needed.
